RE: Letter of Support - Chamber of Commerce Member Republic Services

Dear Town Council and Staff,

On behalf of the Fountain Hills Chamber of Commerce Board of Directors, I write to express our support for the Town of Fountain Hills to continue utilizing the services of **Republic Services**, a valued Chamber member and long-standing partner in maintaining the cleanliness, efficiency, and overall quality of life in our community.

As a Chamber, we recognize the importance of working with service providers who not only meet municipal needs but also invest in the communities they serve. Republic Services has shown commitment through its local presence and ongoing partnership with community stakeholders, helping to support the stability and success of our town.

We appreciate the Town Council and staff's thoughtful review of service agreements that impact the long-term efficiency and sustainability of Fountain Hills. We believe that continuing the relationship with Republic Services represents a responsible and beneficial decision for our residents, our business community, and the future of our town.

Thank you for your consideration and continued dedication to ensuring Fountain Hills remains a clean, well-managed, and thriving community.

Respectfully,

Betsy LaVoie
